## Parents Right to Know – Notification Letter

---

*Mrs. Jaime C. Scott, Director of Instructional Services*

Dear Parent(s) / Guardian(s),

The Primary, Intermediate, and Middle School within the Northridge Local Schools all provide Title I supplemental academic programming to students on a targeted basis. As a result, it is a parents right under No Child Left Behind to request the qualifications of your child's teachers and paraprofessionals including:

- (1) Whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- (2) Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived.
- (3) The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- (4) Whether the child is provided services by paraprofessionals and, if so, their qualifications.

It is important to note that for the 2018-2019 school year all of Northridge Local Schools Title I buildings (Primary, Intermediate, and Middle School) have 100% highly qualified teachers in the subject areas and grade levels they teach.

In addition, all of the district's paraprofessionals are required by the Northridge Board of Education to hold an Educational Aide Licensure with an ESEA endorsement, which includes taking a State Board of Education examination in the areas of Reading, Writing, and Mathematics. Please feel free to contact the department of Instructional Services if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Jaime C. Scott".
