The Green and White days indicate which days you will attend in-person class. On the days you are not at school you are still expected to engage in learning and be working on your assignments. You have the flexibility to complete them during the day, at night, or even on the weekend but they must be completed by the due date. Failure to engage in learning and complete assignments will result in students being counted absent from school and will also affect your grade for the class.

-  Green Days "A"
-  White Days "B"
-  Teachers Only
-  No School

Northridge Local Schools Hybrid Learning Plan 2020 - 2021
