Two Ways to Prepay For Lunches!!!

- Please make all checks payable to *Northridge Local Schools* and include the students name and PIN number on the check. **No Cash Accepted.**
- You may make online meal payments at payschoolscentral.com Please check our website and follow the link. This online system allows you to set up an account to view transactions, account balances, and allows you to set up automatic reload and email reminders for low balances.

- Menus are subject to change due to availability, change in schedule or inclement weather. We will do our best to communicate menu changes.
- Students will be allowed to charge if they have forgotten their lunch money or if their account balance is low. However, it is expected to be paid the following day. After 3 lunch charges, the student will be given an alternative meal and a phone call will be made to remind parents of negative balance. No charges are allowed for breakfast, snacks or extras. There will be NO charges after March 12, 2021.
- Free and Reduced lunch applications are accepted all year and can be obtained online at the payschoolscentral.com or Northridge website or a paper application can be picked up at any school office.
- We cannot guarantee trace values of allergens due to manufacture production, alterations, substitutions, or recipe changes.
- Northridge Local School participates in the NSLP. A meal consists of 5 components: an entrée, which is 2 components (a protein and a whole grain) , a fruit, a vegetable, and a milk. Students must select at least 3 of the 5 components one of which must be either a fruit or vegetable. All students are required to purchase a full reimbursable meal but are allowed to substitute the carrots or apple for the vegetable or fruit being served that day.
- Carrots and Fresh Apples offered.
- A variety of breakfast items are offered daily. A complete breakfast includes an entrée, juice, fruit, and milk. A student is required to take ½ cup of fruit or juice for a complete breakfast.
