MISSION

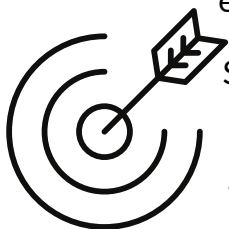

DAY

EMPLOY, ENLIST, ENROLL

VIKING

Northridge High School Vikings explored their future potential on Viking Mission Day! Students experienced employment opportunities in Licking County at local businesses and at CTEC for the Sophomore Hands-on Day. Some students engaged with military personnel at the Defense Supply Center Columbus to understand the enlistment process and the day in the life of an Army soldier. They toured campuses and learned about the enrollment and admission processes at several colleges and universities in central Ohio. They also served their community by visiting and learning more about the community service of the Central Ohio Food Bank. Lastly, students made choices to create their own experiences on Viking Mission Day for their future!
